**Re: U.S. v. Ioannis Viglakis**  
**12-CR-585-01(KBF)**

Honorable Madam,

I respectfully request that the sentence of the defendant presently scheduled for July 18, 2014, be adjourned for approximately two (2) weeks. I have sought and received the consent of the government for this request.

Three days ago I received the government's 20 page sentencing submission, which took some time to digest. I then sought to review it with my client over the weekend, but there was yet another problem with attorney visiting facilities at the MCC. As there are other documents relevant to sentencing which must be addressed and I still must meet with my client, all parties agree that a brief adjournment would serve the ends of justice.

In response to Your Honor's order issued today and in light of the foregoing, I cannot, without conferring with my client, say whether there are factual discrepancies with the government's submission. Regardless, I doubt that a Fatico hearing will be necessary.

Last, my client tells me that he wrote and mailed a letter to Your Honor over three weeks ago yet it has not been received. I am trying to locate that letter.

Accordingly, I respectfully request that the sentence in the above-referenced matter be adjourned to on or about August 1, 2014

I must serve this letter via fax as my ECF capabilities are temporarily disabled.

Ordered  
We will adjourn the  
actual sentencing back week  
at a conference on  
Friday, July 18  
at 12 pm to discuss the  
factual submissions. Sentencing now  
set for 7/30/14 at 10 am.
